

November 2017

Heaven & Hearts

Cathe Linton

Meet the Artist Reception: Nov. 3 • 4:30—6:45pm

I was painting when I was 10 or 11. A career in modeling led to an interest in accessories and particularly jewelry. I attended F.I.T. in jewelry, both making and rendering. I won two awards from De Beers for designs. Ultimately this led to having a store in Warwick, It gave me a chance to explore and test designs. But there was less time to evolve and grow. After 7 years I gave it up to devote my full time (almost) to art. This was encouraged by workshops with the brilliant Susan Hope Fogel which led to an actual sale of my first watercolor! As I run across work I never finished because there was a store to run, or new jewelry design to create I am compelled to finish them. I feel the window of time closing and this is my legacy. A friend complimented me on all the things I do well, I told her it was a curse! I want to do it all!

10% of all sales will benefit The Albert Wisner Public Library.
