Newburgh Chamber Music Ensemble performs a concert which will feature light-hearted and delightful music by Dvorak, Telemann, Godard, Cui, and Nielsen. Performers are fine regional musicians, including violinist Carole Cowan, oboist Joel Evans, cellist Susan Seligman, and pianist Ruthanne Schempf. Colleagues in the Hudson Valley Philharmonic and at the State University of New York at New Paltz, they have distinguished individual careers as well as a long history of collaboration. Carole Cowan is a founder and Artistic Director of Newburgh Chamber Music, which is celebrating its 16th year of presenting a variety of performing ensembles in the heart of historic Newburgh. Performing in duo, trio, and quartet combinations, the informal concert will include discussion of the pieces and a time for questions from the audience.
